“Get out of there as fast as you can brother there’s a bomb and it says 10, 9, 8”. I continued counting “7, 6, 5, 4 its going to blow in 3, 2”. My brother who was in the garage where the bomb was jumped and screamed “NO!” I yelled “Yes you made it now run!”

I said to my brother “Now lets call the cops and ask them to start an investigation on who put the bomb there and nearly killed you.” I punched 000 into my phone and a man answered “Hi, police officer John speaking how can I help you today?” “Well there has just been an explosion where somebody has just put a bomb in my garage and nearly killed my brother can you please start an investigation as soon as possible”

“Sure we will start in the morning bye”

“Hello Garry speaking” “Hi its police officer John speaking we are going to start an investigation in half an hour could we please get you down to the station for an interview” “Sure I will be there in an hour”
